#### **Nature and Characteristics of the Product**

Fragrance, high quality and appetizing taste are the peculiar qualities of this line of products.

#### **Why Buy this Product?**

The ritual of aperitif is playing a more and more important role in everyday life as a social moment. It is a more and more frequent meeting late in the morning or in the afternoon, when barmen professionally propose cocktails, drinks and wine flutes with tasty appetizers and snacks. This line is entirely dedicated to this ritual, with 4 types of products, which increase the consumptions with a completely irrelevant cost.

#### **Concerned Customers**

This line is definitely interesting for bars, public houses, pizzerias, restaurants, taverns, hotels, and for any premise that takes care in a tasty and exclusive way of the aperitif or happy hour moment.

#### **Way to use**

These products are always fresh and fragrant and perfectly match any kind of drink. Concerning tortillas, their natural match is with creams, especially hot ones (such as “grancrema tremenda” or “appetitosa”).
